

Micro 3 BEEF

Product Data Sheet

Product Information:

Micro 3 BEEF is intended to meet the nutritional zinc, manganese, and copper requirements for use in beef cattle.

Typical Analysis:

Zinc	24.3%
Manganese	16.2%
Copper	8.1%

Ingredients:

Zinc Hydroxychloride, Manganese Hydroxychloride, Basic Copper Chloride, Calcium Carbonate, Starch, Mineral Oil

Directions for Use:

The ratios of zinc, manganese, and copper in this product are such that meeting NASEM requirements is simplified. For best results, it is recommended that a nutrition professional be consulted to determine an optimized feeding level to meet animal requirements. Mineral antagonists should also be taken into consideration when determining required feeding level.

Physical Description:

Color: Brown

Appearance: Free flowing granular solid

Odor: Odorless

Safety Considerations:

Applicable safety information can be found on the Safety Data Sheet.

Product Storage and Packaging:

Store in a clean and dry environment below 40° C.

Product Shelf Life:

3 years after production date.
